TWO HELD IN HUNT 45 ADRIFT AT SEA FOR SLAYERS OF IN OPEN BOATS AS BOND MESSENGER

Milford (Conn.) Police Make Without Food or Fresh Water Arrests in Connection With Youth's Murder.

Two men were arrested in Milford, murder of Benjamin Binkowitz, and the disappearance of \$173,000 in Liberty bonds from a Wall Street brokerage house, for which Binkowitz was a messenger.

Paul Demarest, also of Milford, is the gang which murdered Binkowitz, it was learned to-day,

Demarest, according to the police, saw the two automobiles which, on the night of Aug. 19-20 were at the

Donnelly Anti-Trust Act Forbids but Doesn't Prevent.

Department of Foods and Markets be- accompanied by his counsel, Stephen At the same time the Secret Sering conducted by George Gordon Bat- Haldwin, and at the right of Attorney vice men traced to Baltimore a sugar rimself a "milk manufacturer."

anti-trust act came into effect milk was never more than 10 or 11 cents a quart, whereas now it is 18 cents?" asked John Coleman, who is assisting Mr. Battle. "Do you think that the Donnelly anti-trust act accomplishes its purpose-that is, prevents combi-

"No," Mr. Dana replied, "because we are in the same position as other manufacturers. The price of labor and food has gone up."

Mr. Dana said he was in favor of the system under which the Department of Farms and Markets was being operated, and that under this system there was little chance of politics controlling. Mr. Coleman replied that ander the present system the head one and be can be removed only by an act of the Legislature. "Do you think this method should

apply to all State departments?" asked Mr. Coleman. "I have not made a study of them."

answered Dana. "If you found that the present syswould you favor a change?"

"I am open minded," replied Dana. "Has the price of milk in Philadelphia anything to do with the price
of milk in New York?"

"Yes," said Dana. "New York and

"Yes," said Dana. "New York and

"Yes," said Dana. "New York and

"Yes," said Dana. "New York and "Yes," said Dana. "New York for Mays. He insisted when asked several times that he did truth in the rumor that meat prices

Philadelphia are competitors in the not consider it unfair not to have same market. Boston is now entering the same field covered by New York and Philadelphia.

"Then how do you account for the fact that milk is two or three cents cheaper in Philadelphia than in New

"I would like to account for it but cannot."

"Dr. Porter recently said there was nothing legally to prevent the Dairymen's League from demanding \$25 a quart for milk. What do you think prevents it from doing it?" "Nothing from a legal point by

view," replied the witness, "Only it would be bad business." "Why doesn't that apply to clothng manufacturers?" "Is it the Don-

nelly Act," was asked. "That forbids, but does not prevent," said Dana with a smile.
"Do you favor the repeal of the Donnelly Anti-Trust law?"

Mr. Dana said when he asked Gov. Smith for an appropriation of \$25,000 to investigate the milk situation in New York City the Governor said he thought the milk question had been investigated to death.

Mr. Battle to-day said he had asked members of the Federal Trade Com-mission for access to the testimony mission for access to the testimony received by the Commission in investigating the packers' activities in pers.
